Prayer
With the return of all pilgrims from World Youth Day 2016- Krakow, Poland, including our own Miss Clare Grantham let us pray the prayer the pilgrims were asked to pray on their departure.

“God, merciful Father,
in your Son, Jesus Christ, you have revealed your love
and poured it out upon us in the Holy Spirit, the Comforter,
We entrust to you today the destiny of the world and of every man and woman”.

We entrust to you in a special way young people of every language, people and nation:
guide and protect them as they walk the complex paths of the world today
and give them the grace to reap abundant fruits from their experience of the Krakow World Youth Day.

Heavenly Father,
grant that we may bear witness to your mercy.
Teach us how to convey the faith to those in doubt,
hope to those who are discouraged,
love to those who feel indifferent,
forgiveness to those who have done wrong
and joy to those who are unhappy.
Allow the spark of merciful love
that you have enkindled within us
become a fire that can transform hearts
and renew the face of the earth.
Mary, Mother of Mercy, pray for us.
Saint John Paul II, pray for us.
Saint Faustina, pray for us.
Amen.
13 Years Rugby League

The 13’s rugby league team played in the Country Cup finals against St Edward’s College, East Gosford in Dubbo on Wednesday. Leading at halftime, the boys showed determination and confidence. Three quick tries by St Edward’s resulted in the final score: St Edward’s 26 - Hennessy 16. Thanks indeed to the parents who brought their boys over to Dubbo the night before and to Mr. Croese and Mrs. McInerney for coaching and managing the team. The boys were very competitive and showed admirable spirit and commitment. As a spectator I was most impressed at them never giving up and showing great self belief that a win was always possible. It is a huge achievement to make the final of a statewide country competition. Well done boys!

Trial HSC Exams

The week saw the commencement of the HSC trial examinations for our Year 12 students. It has been pleasing to see the majority of students confident and prepared as they enter the exam rooms. The trials are the last assessment task prior to the start of the Higher School Certificate exam. It is important Year 12 use the trials to help in their preparation for their HSC. Listening to and acting on teacher feedback is a crucial part of this process.

Year 11 Leadership Process

The process for 2017 has begun. Year 11 students have nominated for consideration as Year 12 2017 leaders. Twenty seven Year 11 students have put their names forward. So far they have been interviewed by an Executive panel giving us a chance to hear from them directly about their aspirations for leadership. Next Monday they make their speeches to the student body in the hall and the students and staff then vote. A process of discernment then follows taking into account the vote as well as all we know about them e.g. their commitment to their studies and college life, the sort of person they are etc.

Staff Preparation for CE Review

All staff have been busily involved in working towards the Catholic Education Review to take place later this term. The process has been ongoing and it allows each KLA to not only gather the appropriate documentation for the review, but just as importantly, to review teacher/learning practices within their department. Staff spent time at school on Tuesday evening ensuring the documentation we will forward to Catholic Education reflects accurately the great work happening at Hennessy.
Thank You For The Great Response To The CE Survey

I would like to thank the many parents who took the time to complete the Catholic Education survey emailed to parents recently. Parent feedback is so important in schools. It helps us build a clear picture of both your concerns and at the same time affirming the many great things happening. These surveys also provide us with the opportunity to plan for the future.

Year 9 Retreat

The Year 9 Retreat for boys was held on Wednesday and the girls’ retreat on Thursday of this week. The retreats, conducted by the NET team of the Archdiocese, provide an opportunity for development in faith and spirituality pitched at their age level. The feedback has been very positive and we thank Year 9 for conducting themselves so well.

BYOD Program 2017

Last week I emailed parents information on the expansion of the BYOD Program in 2017 to include all students. I would appreciate and encourage any comments, concerns or questions you might have regarding the BYOD program next year. At this point emails have been sent to every Year 10 and 11 family and students themselves re specific issues with the program for that year group. I also included a copy of the newsletter discussion from last week if it hasn’t reached you.
Can I please ask you to check your emails and have a good read of the details as well as have a look through the BYOD site connected to the college website.
Again if there are financial issues that are of concern please make contact with Mr Harton at the college so alternate arrangements can be discussed and finalised.

God Bless.
Chris Browne
College Principal.
Why BYOD?

In 2007 the Rudd Federal Government introduced funding for Technology in schools under the banner of the Digital Education Revolution. Each school was funded for the following:

- One to one laptops Years 5-12 in two tranches of funding
- Infrastructure to support them.

With these limitations:

- No funding for professional development
- Text book funding removed by state government
- Expectation of 5 year life then schools to take over. Reality is 3 years
- No replacement funding provided.

We are now nine years down the track. The college has made a decision to move away from a college wide laptop trolley strategy due to it’s unfunded significant renewal cost which would impact on school fees. Estimated cost is $1M over the next five year period. The College has paid for the last three years to lengthen the life of laptops and upgrade infrastructure, introduce ipad trolleys etc.

The only option available to schools is to ask students to bring their own devices to school. We can then target our limited resources on upgrading internet, upgrading hardware infrastructure within the college and professional development of staff to support the deepening of learning that will be achieved by the more pervasive use of technology as a tool to support learning. Consider the following benefits for learning:

- focus on student-centred, active and interactive learning
- connect with learner expectations, experiences and needs
- provide opportunities for students to create, construct and communicate knowledge
- develop critical and ethical understandings of the value of the use of ICT.

Other identified benefits of a BYOD program:

- Ubiquitous nature of technology in students’ lives
- personalisation of the device- ‘owned’ by the student
- 24 / 7 comfort with the consistent use of one device
- reduced weight of school bag- textbooks move to an electronic platform
- minimisation of damage- student owns the device, therefore care level is high.
**COMMUNITY RELATIONS**

**Semester Reward Winners**

Class teachers at the end of semester 1 nominated students in their class for semester rewards for all year groups (year 7-12) as part of our Positive Reinforcement of student behaviour.

Teachers nominated based upon the following categories

1. Best student
2. Improvement
3. Tries hard consistently
4. Actively involved
5. Wild card

Based upon the results the following students are being rewarded with a pizza luncheon next Wednesday (year 12 will be held at a later date post trials)

Congratulations to all of these students on their achievements in semester 1. A letter has been sent home to parents to advise of arrangements.

Save The Date

As part of our continued response to Mind Matters and our mission “the gift of the mind is the gift that matters” we have arranged for Rocky Biassi “the accidental counsellor” to give a parent presentation on the evening of the 29th August. He will also be presenting to each of the year groups during the day.

I Am So Sorry

Letters and permission slips have been emailed out to year 11 and 12 students for the Prevention of Alcohol Related Trauma in Youth for them to attend the “I am so Sorry”
The event is being coordinated by Young Hospital and involves related emergency services to incorporate the typical legal and medical response to a simulated accident which occurred based upon the decision of a young diver deciding to drive while under the influence. The scenario will involve witnessing emergency services attendance at a mock road accident and then subsequent treatment in the emergency department at Young District Hospital. The scenario will involve brief, hands-on, observational and debrief components. The exercise involves graphic and realistic scenes entailing emotionally confronting episodes. Realism is important to provoke sensible discussion and realistic understanding of the impacts of deciding to drive under the influence.

The goal is to reduce the over representation of young adults in injury and trauma statistics. If you would like your year 11/12 son or daughter to be involved in this event you can also email/contact Mr Simms so he can email you the related information and permission slips.

Lip Sinc

Nominations close this Friday, 12th August, for the Lip Sinc competition. The police through Cootamundra Local Command are organising this competition for the song performance in mime, dance and costume in the categories of high school students and open (staff) members of school communities. They are using this event as a positive action to promote a community awareness and response to Domestic Violence and in support of White Ribbon day. Please email your nominations to members of the committee, Bridgette Penfold, Chelsea Anderson or James Vitnell or Mr Simms.

Cheap Thrills

Year 9 will be attending the brainstorm production entitled “Cheap Thrills” which is being financed by the police through Cootamundra Local Command to promote safe practices regarding alcohol, and drugs. Our year 9 students will see this with Young High School’s year 9 next Thursday 18th August at the Town Hall. They will be walking to and from the venue.

Online privacy tip for parents and carers

6. Discuss their digital footprint

Social media presents a number of benefits and opportunities for children, including increased connectivity to their friends and exposure to new ideas. However, children need to know that their digital footprint can last forever. They also need to understand that every piece of content they consume, share, upload and download leaves a digital trace.

Work with your children to develop some fundamental principles they can use when interacting online and using social media. These principles could include that they only interact with people they know and that they only share another person’s personal information with that person’s permission.

Children who understand the potential consequences of their online behaviour are more likely to make better decisions about how they share their personal information.
With Spring On The Way…

It is often a time of talking diets which is often about weight but maybe it is better to focus on being healthy and happy no matter what your size. Too much attention to weight can lead to low self-esteem, negative body image and lower motivation to be involved in activities that can improve health and wellbeing. It is important to remember that there are health benefits from a balanced diet and increased physical activity for people of all shapes and sizes, even without losing weight.

Gerard Simms
Assistant Principal-Director of Community

CONGRATULATIONS

Congratulations and well done to Ellie Silk who ran NSWCCC team on the 22nd July at Eastern Creek. She placed 10/125 in her age group. A fantastic achievement!

Also congratulations to Annie Turner who also came 10th in her age group—15yr girls. A great job!
REFLECTION – Mary McKillop Feast day 8th August

Ever generous God,
You inspired Saint Mary MacKillop
to live her life faithful to the Gospel of Jesus Christ
and constant in bringing hope and encouragement
to those who were disheartened, lonely or needy.
With confidence in your generous providence
and joining with Saint Mary MacKillop
we ask that you grant our request..................
We ask that our faith and hope be fired afresh by
the Holy Spirit
so that we too, like Mary MacKillop, may live with
courage, trust and openness.
Ever generous God hear our prayer.
We ask this through Jesus Christ. Amen.

Year 9 Retreat
The Year 9 boys Retreat has really opened the eyes of our young men. It is tremendous
to just see the boys relaxing with one another and feeling more and more comfortable
talking about God in their lives and sharing with the CE Net Team has been a marvellous
experience. Many thanks to the CE Net Team and to Mrs Nowlan and Mr Bigwood who
assisted us on the day.
I hope the girls get as much out of tomorrow as the boys have out of today. I also wish
Ms Jasprizza, Mrs Tyrrell and Ms Riley all the best tomorrow

World Youth Day
Ms Clare Grantham has returned safely to us. She has many stories and feelings to ex-
press about her journey. We hope that she will be able to share it with the College com-
munity and our Parish Community.

Edmund Rice Education Australia – Conference in Melbourne
At the conference we looked at symbolism and rituals which deepens our understanding
and respect for our past and for some of us a deepening appreciation for our faith and
God. We have our street signs in our opening Mass which symbolically welcomes all the
towns that our students come from that make up Hennessy. In our mass we sing
“Awesome God” to welcome the Word of God and we stand as a gesture of respect and
welcome to the Word of God. These two symbols and rituals are apart of Hennessy and
reinforce our respect for our faith, our relationship of our past and one another, and
most of all our a respect for our God.
There are three philosophies of Edmund Rice teaching I have included the first one here:

**The educational philosophy of Edmund Rice**

In ‘The Price of Freedom’ [2007] Associate Professor Denis McLaughlin from the Australian Catholic University reflected that the three key ingredients of Edmund’s approach to education were presence, compassion and liberation. The following three characteristics of Edmund Rice Education were generated from sources described in Chapter Five of The Price of Freedom [2007], ‘The spiritual foundations underpinning Edmund Rice Education’.

**Presence**

**Presence leading to a respectful sense of the sacred**

For Rice, life was about apprehending or being present to an already existing relationship with an ever-present caring God, and then responding to this relationship by being present to and loving that which God loves…The invitation to be present to and scrutinise the current state of the humanity of his neighbour was the pivotal graced insight that led him on a mission to liberate God’s image… this focused, respectful sense of the sacred was a fundamental catalytic dynamic integrating Ricean education. He believed that when teachers and students recognised and honoured the divine equality of all, then the personal reformation and social transformation dimensions of his education became possible.

**Profound belief in the equal dignity of persons**

This feature is best exemplified in one of the directions the 1822 Chapter offered to the new Congregation of Christian Brothers concerning the fundamental spirit of the new Institute. ‘They are to have a tender affection for all the children, especially the poorest, as most resembling Our Lord Jesus Christ’. Rice is the author of this statement of faith. This belief led him to open his schools to children of all faiths and every social status. He pioneered authentic inclusive education.

**Nurturing a culture of faith**

The atmosphere in Rice’s schools reflected faith in the presence of the divine within the Catholic tradition, a point recalled by a former student: ‘the spirit of morality and religion permeated all the school work’.

**A scholarly approach to education of the spirit**

His religious education aimed at nourishing the heart as well as the mind: ‘the good seed will grow up in the children's hearts later on’. Such aims demanded a special scholarship from the teachers: ‘It's most laborious for the teachers; however if it were ten times what it is, I must own, we are amply paid in seeing such a reformation in the children’.

I intend to include the next two philosophies in the up and coming newsletters.

Rice House Parish Mass

On the 20th August we will be celebrating with the Parish at the 6pm Mass. This term we are focusing on the Rice House. Even though we are celebrating the life and legacy of Edmund Rice as one of the Founders of the College it is still that, an aspect of the College. I invite all students to celebrate with us on this day by attending Mass. If you wish to be involved in the Mass please see Mrs Tyrrell or if it is in regards to the Music please see Mr Stewart. We are hoping that Ms Grantham might be able to share part of her journey at this Mass.

*Phillip Mitchell*

Binalong Bush Poetry Prize
NSW Bush Poetry Championships
Binalong NSW
9-11 September 2016

Junior Entry Form

Binalong Arts Group Inc. is proud to present the Binalong Bush Poetry Prize and the New South Wales Bush Poetry Championships, conducted under the auspices of the Australian Bush Poets Association (ABPA).

About the Event

In 2013 Binalong’s long and proud poetic history was extended to include the Binalong Banjo Paterson Bush Poetry Prize. In 2014 the event was expanded to host the 2014 ABPA NSW Bush Poetry Championships and we are delighted to announce that the Binalong Bush Poetry Prize 2016 will again host the ABPA NSW Bush Poetry Championships, offering over $5,500 in prize money.

Junior prize money is $350, with both a Junior Written and a Junior Performance Competition.

1st: $100  2nd: $50  3rd: $25

Our aim is to value and encourage traditional Australian culture through poetry, yarns and music. Content for all sections should be about Australian life, its people or history, past or present.

The program is designed for maximum enjoyment and to include poets at all ages and stages.

Program Overview

The program is designed for maximum enjoyment and to include poets at all ages and stages. We start on Friday evening with the novelty competition then walk-ups (including yarn-spinners). Saturday is full with BBPP competitions plus non-competitive activities, music and time to relax, chat and explore Binalong.

Saturday night will feature our Celebrate Australia Concert. Sunday the Juniors are in action, with the Junior Performance Competition and the announcement of the Junior Written winners.

Come and enjoy the thrill of competition or sit back and enjoy the open mic sessions (Juniors welcome). The walk-ups provide a warm and encouraging space for the non-competitive, the nervous and those who prefer to read, as well as a warm-up stage for competitors.

Our aim is to value and encourage traditional Australian culture through poetry, yarns and music. Content for all sections should be about Australian life, its people or history, past or present. Entries close Monday 8 August.

Late entries in the Junior Performance Competition MAY be accepted at the organisers’ discretion, including on the day, depending on numbers.

Conditions of Entry

General and Section Information

1. Poems in the written sections must be entrant’s own original work and are not to have previously won first prize in any other competition or been published for the financial gain of the author. Judge’s decision will be final. No correspondence will be entered into. Copyright remains with author.

2. Please send copies of each entry typed on one side of A4 paper. No name or other personal identification marks to appear on entries. Use the entry form as a cover sheet and forward to Vicki Royds, Competition Coordinator, Binalong Bush Poetry Junior Competition, PO Box 116, Binalong NSW 2584. Closing date: Monday 8 August.

3. Poems will not be returned. Please send copies only, not original manuscripts.

4. If results are required please send a standard self-addressed envelope.

5. Unsigned entries not accepted. If the entrant is under 18 a parent or guardian must sign.

6. Entrants agree to allow their poems, if placed, to be read to audiences at the Binalong Bush Poetry Prize Poets’ Breakfast on Sunday 11 September.

7. In the performance section, one poem only to be performed per poet. All material to be presented must be family orientated. Offensive material will not be tolerated.

8. Performance competitions and all competitions announcements will take place on Sunday 11 September at the Binalong Bush Poetry Prize Poets’ Breakfast, at the Binalong Mechanics Institute (Binalong Hall) from 8.30am.

9. The organisers reserve the right to vary the terms, conditions and program in any way, including times and venues. Hopefully we won’t have to.

Waste matters
CleanOut your household chemicals the right way

You can drop off these materials:

**From your home:**
- Solvents and household cleaners
- Floor care products
- Ammonia based cleaners
- Fluorescent globes and tubes

**From your garage:**
- Paint and paint related products
- Pesticides and herbicides
- Poisons
- Gas bottles
- Fire extinguishers
- Pool chemicals
- Hobby chemicals
- Acids and alkalis

**Including materials with the following logos:**

Only household quantities accepted 20kg or 20L maximum container size. Please transport your materials carefully and remain in your vehicle at the collection site.

For more information call the Environment Line on 131 555 or visit www.cleanout.com.au

Environment Protection Authority
Drop your household chemicals off at any of these locations on the dates and times listed.

Young Community Chest Inc
Sleep Out Challenge

Friday the 9th September 2016
6pm – 6am
Carrington Park

Young Community Chest are challenging anyone & everyone to a public sleep out. So all you sporting groups, business houses, tradies and individuals come and challenge each other for the night. We are raising funds for Young Community Chest and Margaret House. There will be soup and bread rolls for Dinner. Tea and Coffee provided through the night. The aim is not to have any luxuries for the night and sleep out to know how it feels to be homeless for one night.

Rules:
- This is an Alcohol free night.
- No electronic devices, just a bottle of water and a torch.
- No tents just swags or cardboard box and sleeping bag.
- On the spot fines will be issued for any electronic devices found and exiting early before 6am.

Registration forms can be either picked up from Young Town Hall newsagency or email youngcommunitychest@gmail.com to obtain a registration form.

The cost of registration is $200 per business (5 people)
Or $50 per person
You have to be over 18 to register.
Not keen on sleeping out, how about making a donation instead.
Any queries Ph: 0447 491 985
We will have a registration day outside Westpac bank
On the 3rd sept 2016
9.30am – 12.30pm

So come and sleep out and make a difference!
