But by the grace of God I am what I am, and his grace to me has not been ineffective.

1 Corinthians 15:10

Paul persecuted the Church, Peter denied Christ three times. Thomas doubted. The list goes on and on among the apostles and other saints. Imperfect people to be sure. And yet, all these men and women were loved by the Lord, just as they were. All were transformed by their experience of the Risen Lord.

Not one of us are perfect either. We have flaws and fears, blind spots and prejudices. But God loves us anyway and provides all we need to bring souls to the kingdom each and every day. Amazing grace, indeed.

Lord, thank you for your unending grace and love.

Catholic Education Review for Registration and Accreditation - This is a Great School!
The review panel arrived early Monday morning and immediately set about speaking with and interviewing the College Executive, members of staff and a number of students. The panel were taken on a tour of the College by the Student Leadership Team; sitting in on classroom lessons and speaking to students in the classes. The panel also examined hundreds of pages of policies and procedures. By Wednesday afternoon, the Panel had written a draft report which it presented to the College Executive then the whole staff. The Chairman of the panel, Dr Phil Pettit was extremely affirming of all that is happening at Hennessy, our appreciation of issues we face and the clear planning and strategy being employed to improve Hennessy across all facets.

The panel affirmed in particular a range of areas including how authentic we are as a Catholic school, the collaborative and cohesive leadership across the college at all levels, the wellbeing and pastoral care focus, the quality of teaching, the focus on the needs of all students regardless of ability or aspirations, the strategic management of change e.g. BYOD program, the manner in which innovation is embraced in teaching, the positive learning environment for all students in a safe context, the supportive and collaborative Community Council and the focus on shifting assessment from a summative to a formative approach utilising the benefits of technology.

As you can see the Hennessy community has much to be very proud of and we look forward to a phase of consolidation after the successful first year of the 2016-18 Strategic Plan. From my own point of view I see a college in very good shape. Our aspiration to be the best school in the district that serves the needs of all its students in a caring Catholic environment is clearly evident. The ongoing challenge is always to keep doing that.

The clear success of our students out in the community near and far in many wide ranging fields of endeavour is clear evidence that students here get an outstanding education and can go anywhere and do anything with it. Hennessy is a great school!

Year 11 Exams
Year 11 students start their end of course Preliminary examinations today. These exams signal the end of Year 11. The preliminary courses and the end of course examinations provide a strong foundation for the Higher School Certificate courses which will commence in Term Four. I wish all students well as they complete these exams over the next week and thank their teachers for the extra work they have been doing to support their students as they prepare for them.
NSW CCC Athletics
Tomorrow thirteen students will compete in a variety of track and field events in the NSW Combined Catholic Colleges (CCC) Athletics Carnival to be held at the Olympic standard track at Homebush. Students who perform well at this carnival will then compete in the All Schools’ Athletics Carnival to be held early next term. I wish all students best of luck and hope they achieve PB’s in their events. The students are: Annie Turner, Ellie Silk, Sarah Murray, Matthew Café, Sienna Bloor, Jordan Wilder, Georgina Everdell, Joie Whybrow, Jonathan Thomson, Thomas Jenkins, Jordan Noakes and Faith James.

Year 12’s final week
Year 12 students will finish their formal lessons next Wednesday, 21st September. On Thursday, we will celebrate their time at the College with a Graduation Mass and Prize giving Ceremony to be held at St Mary’s Church. This will be a wonderful opportunity for staff, students and parents to both acknowledge and celebrate their time at Hennessy. I look forward to being able to celebrate with them. I want to thank Mrs Jessica McInerney and all the Year 12 teachers for all their work with them. They have been in very good hands!

HSC examinations commence on Thursday 13th October.

Year 12 Carwash
Next Tuesday, 20 September (1pm to 4.30pm), Year 12 will be raising money for Lambing Flat Enterprises (LFE). The owners of the Young Country Carwash, 23 Main Street has made available their facilities at no cost. A group of Year 12 students will wash and champios a car for $10. I would encourage you to support this fundraising initiative by our Year 12 cohort.

Miss Shakira Orellana
We welcome Shakira to Hennessy for the next six weeks. This is Shakira’s last practicum before she graduates at the end of the year from Charles Sturt University in Wagga. Shakira will be teaching in both the English and the HSIE KLA’s. We wish her well and hope she gains much wisdom from her colleagues whilst she is here.

HPE Day
Health and Physical Education (HPE) Day is a nationwide initiative that highlights the importance of HPE in the Australian Curriculum. The PDHPE staff held push-up and plank competitions, skipping and volleyball. To complete the celebrations, there was a PE spelling bee and the Kahoot grand final. Congratulations to Mrs Dunk, who coordinated the day and all members of the PDHPE staff for their enthusiasm and hard work in making the day such a success.

Miss Clare Grantham
After almost two years teaching at Hennessy, Clare has decided to finish up at the end of this term. Clare has shown herself to be a very active and collegial member of the RE Team. Clare is compassionate and is well respected by staff and students alike. Clare leaves us to work outside the education sector. I wish her all the best for the future.

First Day Term Four- Monday 10th October- all students must attend school.
Students are reminded the first of Term Four is a normal school day (Day 6 of the timetable). That is, it is not a pupil free day. The staff Spirituality Day, which is a pupil free day, is on Monday, 14 November. Please plan accordingly.

God Bless,

Chris Browne
College Principal.
Improving Wellbeing through Student Participation at School Survey

Letters were emailed home last week inviting your child to participate in an exciting research project that will help us learn about your experiences of ‘having a say’ about things that interest or concern them at school, through the School of Education Southern Cross University.

It is an online survey which is completed in class time and takes about 20 minutes to complete.

If you do not want your child/ or your child does not want to be involved there is an opt out reply for parent/student attached to the information letters, which needed to be returned to their year coordinator.

Actual implementation of the survey will begin this Friday into week 10 for years 7-10. Year 11 will complete the survey first week back next term.

Uniform

Reminder beginning of term 4 brings the return of summer uniform.

Reminder about uniform requirements;

- SOCKS; Girls Plain white above ankles Boys (yr 7-10) plain navy blue above ankles. Senior boys only plain white or navy blue above ankles
- Shorts/Pants; Not Cargo or knee patch style
- Skirts; length should be appropriate
- Black polishable lace up leather school shoes
- Plain white (no logos) T-shirt can be worn underneath.

Please make sure that correct items are purchased if you wish to avoid having to repurchase to replace incorrect items. All items can be purchased locally.

Reminder regarding jewellery only one ear ring per ear and no nail polish. Excess will be confiscated and polish to be removed.

Holiday Dates

Reminder the last day of term will be Friday 23rd September. All students return on the Monday, 10th October Day 6 of timetable. Our staff development day (spirituality) will be held on the 14th November (week 6)

Whole School Mass next Thursday

Reminder next Thursday (22/9) is the Year 12 Graduation Mass. As such students are to wear their school winter uniform, if they have sport or PE on the day they are to bring their PE uniform and change for these lessons.
10. Emphasise help is always available

Make sure your children know that they can ask for help if they have a problem online, whether from you, from their school or from government services. Reassure your children that you’re there to support them, you’re there to listen to things that may have arisen, and that you’re not going to automatically disconnect them from their online world if a problem arises.

If your children experience cyberbullying, the Office of the Children’s eSafety Commissioner (OeSC) may be able to help. Most social media sites also have their own complaints systems. The OeSC also has information on a range of popular games, apps and social networking sites including instructional advice on how to activate privacy settings.

The Office of the Australian Information Commissioner (OAIC) can also help you if you have a complaint about how an entity covered by the Privacy Act 1988 has handled your children’s personal information.

If you are concerned that your children’s identity information may have been compromised, iDcare the national identity support service can provide advice and support.

Don’t forget...

Your online behaviour affects your children’s privacy too. The information you share about your children, especially on social media, contributes to their digital footprint. Remember that once you share information, it can be used in ways you did not expect and cannot control.

Before you share any information about your children, ask yourself: ‘Have I ensured my children’s privacy is protected?’

For further information
Go to www.oaic.gov.au or call our Enquiries line on 1300 363 992

Teaching and Learning News

University Entry

University Entry continues and many students have begun the process of application. Students have until September 30th to apply to UAC in order to avoid late application fees. In addition, students can also now apply for Schools Recommendation Scheme and Educational Access Scheme. Information on both can be found on the UAC website or the UAC book.

For Indigenous Students there are a number of scholarships on offer at the University of Sydney– please follow this link: http://sydney.edu.au/scholarships/prospective/indigen.shtml

Year 12

Year 12 are expected to be in classes and actively engaging with activities until classes cease. This is their greatest opportunity to improve their skills essential for the HSC examination as most subjects have completed content and are revising. Many teachers are setting past HSC questions for homework and students should be attempting these and submitting them for feedback.

All students by now should have activated their Students Online account - https://studentsonline.bostes.nsw.edu.au/ If they haven’t I suggest they do this as a priority.

During the holidays students should be studying Monday-Friday each week but have some down time on the weekend. My suggestion is that they plan as follows. Six hours a day would equal what they are doing at school and the best study is completing and submitting (via email) past papers.

- Week 1 – do study on EVERY subject equally
- Week 2 – do study of every subject but allocate more time for the first 3 exams

Year 11 End of Preliminary Examinations

Year 11 students have received their examination timetable. As these are end of course examinations, Year 11 students need only be at school for their examination, unless they have both a morning and an afternoon exam. However they may stay at school all day to study if they wish to or cannot make alternative travel arrangements.

Rescheduled exams can only be made for valid reasons – students must see the KLA Coordinator first for approval and then see me for an alternative time.
Please note changed arrangements:

Morning exam ONLY – students may sign out after its completion;
Afternoon exam ONLY – students must be at school by 12.30pm.
Morning and Afternoon exam – student will be at school all day but
will have study Period 3 and 4 in upstairs E block.

Please note all students, whether they have an exam or not, must be at
school on Thursday 22nd September to attend the Year 12 Graduation
Mass – they will not be permitted to sign out after their morning exam
until the Graduation Mass concludes.

Illness/Misadventure Forms – Year 10 and Year 11

A reminder to students in Year 10 and 11 that if they are absent for an
assessment they must complete an Illness/Misadventure Form within 3
days of their return to the College or the penalty for lateness will be
imposed. These forms can be found outside my office.

Year 11 students are reminded to follow the correct procedure for any
exams missed due to Illness.

Subject Selection 2017

At the moment the lines are being drawn and students will find out
early next term about their subjects for 2017.

Year 11 2017 will be informed first; Stage 5 will not be available until
this has been completed.

The Gift of the Mind is the Gift that Matters

**Mental Stillness** – what is it?

Mental stillness is focusing your attention to the present moment. To focus on the now and assist you put negative thoughts that you experiencing at bay. This is achieved through stillness and meditation. It can be as little as 2 minutes through to 10 minutes a day.

This link has the meditations.....enjoy!

Our New Saint

“The remarkable woman who would be known as Mother Theresa began life named Agnes Gonxha Bojaxhiu. Born on August 26, 1910 in Skopje, she was the youngest child born to Nikola and Drane Bojaxhiu, receiving her First Communion at the age of five, she was confirmed in November 1916. Her father died while she was only eight years old leaving her family in financial straits.

Gonxha’s religious formation was assisted by the vibrant Jesuit parish of the Sacred Heart in which she was very involved as a youth.
Subsequently moved to pursue missionary work, Gonxha left her home in September 1928 at the age of 18 to join the Institute of the Blessed Virgin Mary, known as the Sisters of Loreto, in Ireland. She received the name Sister Mary Teresa after St. Therese of Lisieux. In December of 1929, she departed for her first trip to India, arriving in Calcutta. After making her First Profession of Vows in May 1931, Sister Teresa was assigned to the Loreto Entally community in Calcutta and taught at St. Mary’s School for girls.

Sister Teresa made her Final Profession of Vows, on May 24, 1937, becoming, as she said, the "spouse of Jesus" for "all eternity." From that time on she was called Mother Teresa.”

Because of her devoted work with the Poor she is now known as **St. Teresa**

**Mission Fundraiser**

We are currently raising money for the Catholic Mission so they too can feed and take care of the Poor. On Tuesday the 20th September we would like all the students of Hennessy to reach in and give on this one day to the Catholic Mission and **“Sox it to Poverty”**.

The Pastoral Care Homeroom with the largest amount raised on the day will receive a small lunch later in the week. So please dig deep and give to the Poor. Let us help Catholic Mission help those less fortunate.

**Mission Mass**

On the 26th October Hennessy is sending four representatives and Mr Owen Pippard to the Mission Mass being held at St Christopher’s Cathedral in Canberra. They will not only be attending the Mission Mass for the Poor but taking our donation to help those in need.

It has been a busy Term 3 for our Indigenous department with many connections made between staff, students and families. Congratulations to all the students who have participated in programs and have shown an interest in incorporating more Indigenous culture within the school. We look forward to some new and exciting projects and opportunities in Term 4.

Please follow the links for more information on the opportunities below.
