Gospel John 6:24-35

When the people saw that neither Jesus nor his disciples were there, they got into boats and crossed to Capernaum to look for Jesus. When they found him on the other side, they said to him, ‘Rabbi, when did you come here?’ Jesus answered: ‘I tell you most solemnly, you are not looking for me because you have seen the signs but because you had all the bread you wanted to eat. Do not work for food that cannot last, but work for food that endures to eternal life, the kind of food the Son of Man is offering you, for on him the Father, God himself, has set his seal.’ Then they said to him, ‘What must we do if we are to do the works that God wants?’ Jesus gave them this answer, ‘This is working for God: you must believe in the one he has sent.’ So they said, ‘What sign will you give to show us that we should believe in you? What work will you do? Our fathers had manna to eat in the desert; as scripture says: He gave them bread from heaven to eat.’ Jesus answered: ‘I tell you most solemnly, it was not Moses who gave you bread from heaven, it is my Father who gives you the bread from heaven, the true bread; for the bread of God is that which comes down from heaven and gives life to the world.’ ‘Sir,’ they said ‘give us that bread always.’ Jesus answered: ‘I am the bread of life. He who comes to me will never be hungry; he who believes in me will never thirst.’

‘I am the bread of life’, Jesus declares. If you ‘believe’, he tells us – if you have faith that is able to recognise what God is offering them – Jesus will be our nourishment for eternal life.

Mobile Phone Policy

Mobile Phones can be a useful piece of technology in today’s society, provided their use is appropriate. However, they can disrupt the learning environment and account for much of student’s lateness to class. When used inappropriately they can be used to bully and harass other students.

STUDENTS ARE PERMITTED TO USE THEIR MOBILE PHONE:

• Before school until the bell rings at 8.45am
• During Recess
• On the playground at lunchtime
• After school ends

STUDENTS ARE NOT PERMITTED TO USE THEIR MOBILE PHONE AT SCHOOL:

• After the bell rings at 8.45am
• Between periods during the day
• During classes
• PC time and Assemblies
• Anytime in the Library

Mobile phones are to be turned off at any other time. They are not to be used to check the time, for listening to music or for checking messages. If parents need to make contact with their child during class time it is made through the front office.

I would strongly encourage all parents to check the images on their children’s phone.
