9th March, 2015

Dear Parents/Guardians

As part of the Year 9 History curriculum, students study ‘Australians at War’. This includes the causes of World War I and II, where and why Australians fought, significant events and experiences of Australians at war and the impact significance of the wars to Australia.

Guest presenters from Starrs Production pay tribute to the men and women who served Australia during World War I. Their script is a rich selection of anecdotes, letters, poems and songs. The actors employ characterisation, caricature, humour, song and dance to portray varied reflections about the recruitment drive, training in Egypt, the Gallipoli campaign, the battlefields of France, the home front, Billy Hughes and conscription, nurses’ stories and the journey home.

“Australia Will Be There” is an engaging and educational experience for the students and a practical consolidation of their studies.

At present the following arrangements apply:
